# PROBLEM

01

Lack of children's awareness and involvement in eco-friendly activities.

02

Limited access to voluntary activities tailored for children.

# SOLUTION

01

Access to a variety of  
volunteer opportunities

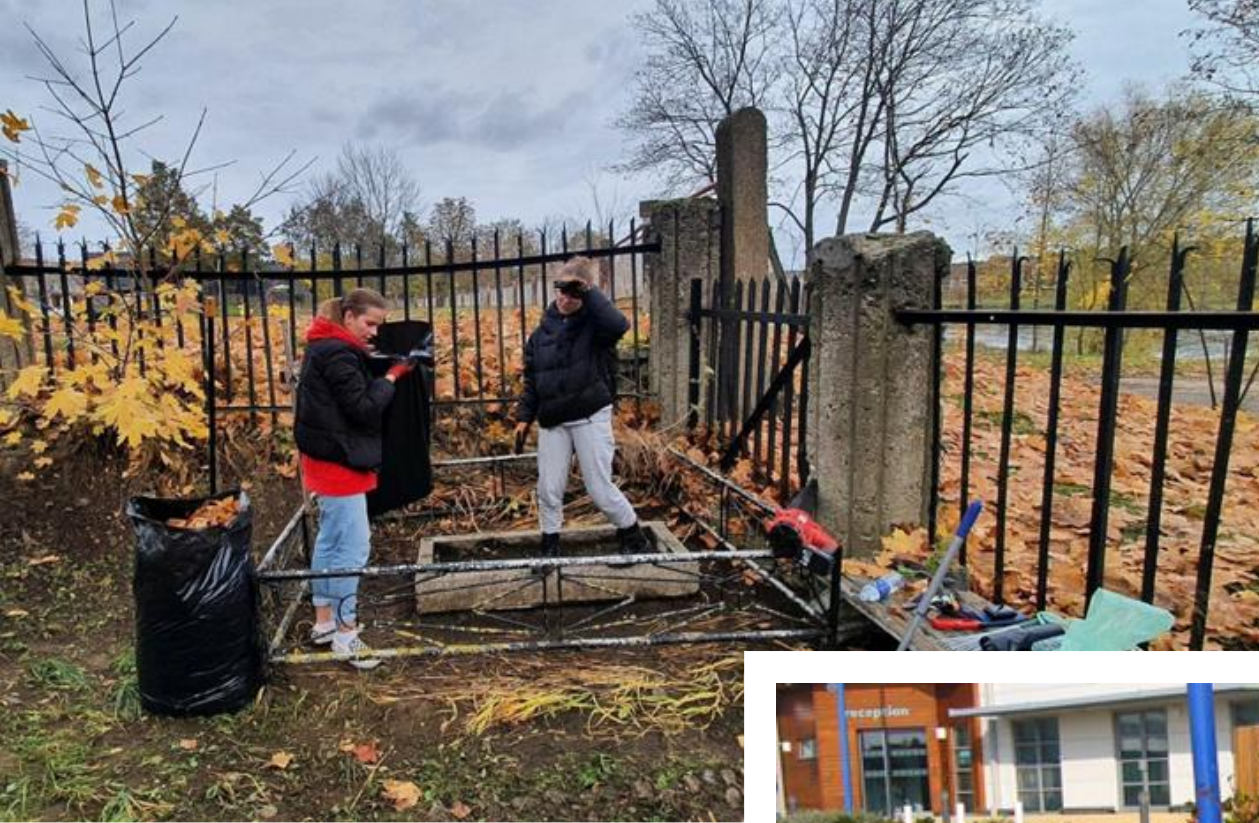

02

A feature to track children's  
participation and contributions,  
including volunteer hours and  
completed eco-friendly tasks.

## **APP MISSION**

To give a variety of choice from nature-oriented children volunteering events

# WHY US?

01

## INOVATIVE TECHNOLOGY

Our platform utilizes innovative solutions and technologies that make eco-friendly activities easily accessible and enjoyable for children.

02

## SOCIAL MISSION

We aim not only for profit but also for social impact - promoting environmental awareness and fostering responsibility among future generations.

# HOW WILL WE MAKE MONEY?

## Board of education:

Getting recognition from the government, we will ask for financial support for app development and business expansion

## Advertising:

Sell advertising space on our platform to our sponsors (cinema, bowling and other entertainment companies)

---

## FIRST STEPS

---

- ❑ Funding for app development (50000 Euros)
- ❑ Advertising (20000 Euros)
